
This act summary is provided for the convenience of the public and members of the General Assembly. It is intended to provide a general summary of the act and may not be exhaustive. It has been prepared by the staff of the Office of Legislative Counsel without input from members of the General Assembly. It is not intended to aid in the interpretation of legislation or to serve as a source of legislative intent.

Act No. 159 (H.928). An act relating to technical corrections to fish and wildlife statutes

Subjects: Conservation and development; licenses; fish and wildlife conservation; penalties and enforcement

This act makes technical corrections to the uniform point system that assigns points against a hunting or fishing license to those convicted of violation of a fish and wildlife provision. This act also makes a change to when hunting or fishing licenses may expire and makes a change to when the land management plan for the Champion lands is updated. This act codifies in statute fees for the use of Department of Fish and Wildlife lands and facilities that were previously outlined in a rule.

Effective Date: July 1, 2026
