It has been prepared by the staff of the Office of Legislative Counsel without input from members of the General Assembly. It is not intended to aid in the interpretation of legislation or to serve as a source of legislative intent.

Act No. 137 (H.921). An act relating to alcoholic beverages

Subjects: Licensing; fourth-class licenses; special venue serving permits; alcoholic beverages, cannabis, and tobacco; manufacturers and rectifiers; Board of Liquor and Lottery; special events permits

This act amends various sections of Title 7 to increase the term length for members of the Board of Liquor and Lottery, increase the total volume of alcoholic beverages that may be served to a retail customer at a tasting room and retail shop under a fourth-class license, increase the number of fourth-class licensed locations at which a manufacturer may sell beverages produced by other manufacturers, eliminate the specific hours of sale for sales authorized pursuant to 7 V.S.A. § 230 and revert to the hours of sale applicable to licensees pursuant to 7 V.S.A. § 62, conform the special event permits statute to contain the same local control requirements as the definition of “special event permit” under 7 V.S.A. § 2, decrease the notice period for retail alcoholic beverage tasting permits from five days to one business day, authorize licensed manufacturers of malt beverages to self-distribute not more than 3,000 barrels of malt beverages annually to first- and second-class licensees, remove the requirement that an applicant or holder of a solicitor’s license pay licensing fees by certified check, eliminate the prospective repeal of the 2024 special venue serving permit amendments, and authorize the holder of a caterer’s license to host not more than five functions per calendar year located on the license holder’s own first-, first- and third-, or second-class licensed premises.

Multiple effective dates, beginning on June 15, 2026
