**Act No. 140 (H.642). An act relating to youthful offender proceedings**

**Subjects: Human services; court procedures; youthful offender**

This act makes several changes to the requirements for youthful offender proceedings when the youth violates conditions of probation. If a youthful offender violates probation, the act authorizes the court to extend jurisdiction beyond the youth's 22nd birthday until the probation violation motion is resolved, lists factors for the court to consider when deciding whether to retain jurisdiction or send the youth to the Criminal Division, and authorizes the court to order an officer to pick up the youth and bring the youth to court if the youth fails to appear at the hearing. The act also permits the victim to attend and be heard at a youthful offender consideration hearing.
