Act No. 124 (S.214). An act relating to the provision of prekindergarten education in geographically isolated school districts

Subjects: Education; tuition; prekindergarten education; geographically isolated

This act allows the NEK Choice School District to provide prekindergarten education to eligible prekindergarten students by paying prekindergarten tuition to one or more prekindergarten programs operated by a public school in New Hampshire that is located in a school district within 25 miles of the Vermont border. It requires the Essex North Supervisory Union to administer enrollment procedures and manage prekindergarten tuition payments. It also allows the superintendent to apply for and receive a waiver from the Agency of Education and the Agency of Human Services for any rule provision that is impractical for the NEK Choice School District or the New Hampshire program by demonstrating that a substantially equivalent provision is offered.
