Senate resolution honoring the historic, integrated, and productive relations on the part of both the United States and the State of Vermont with Canada and the Province of Quebec; urging that Congress reassert its role in the crafting of international trade policy, including the imposition of tariffs; and urging that President Trump remove all tariffs he has imposed on Canada since January 20, 2025, including those outside the United States-Mexico-Canada Agreement (USMCA).

~~Whereas, perhaps no American state has a closer and more active two-way relationship with our northern neighbor than the State of Vermont, and~~

~~Whereas, these ties entail personal, cultural, and economic relationships, and~~

~~Whereas, many Vermonters enjoy travel to Montreal and Quebec City while Canadians, especially Quebecers, reciprocate with journeys to Vermont to take advantage of the State's outstanding outdoor recreational opportunities, and~~

~~Whereas, on the economic front, for 2023, the Canadian Consulate in Boston reported that Vermont exported \$680 million in goods and \$165 million in services to Canada, and that same year, Vermont imported \$2.6 billion in goods from Canada, and Canadian investments in the State supported over 17,000 Vermont jobs, and~~

~~Whereas, according to the Department of Public Service, in 2023, 24 percent of Vermont's electric supply portfolio was served by Hydro-Québec, aside from any renewable energy credits, and Vermont Gas Systems receives 100 percent of its gas from Canada, and~~

~~Whereas, in recent years, Governor Philip Scott has repeatedly traveled to Montreal on trade missions and has strived to enhance Vermont-Quebec trade ties, and~~

~~Whereas, on the national level, according to TD Bank, during the first three quarters of 2024, approximately \$683 billion in combined goods and services was shipped in both directions across the United States-Canada border, and~~

~~Whereas, the same report also noted that Canada is the United States' number one export market, and significant elements of this trade are integrated commerce, especially in the automobile manufacturing sector, and~~

~~Whereas, Governor Philip Scott has established an interagency task force to prepare for the implementation of tariffs on Canadian goods, now therefore be it~~

Resolved by the Senate:

~~That the Senate of the State of Vermont supports warm and cooperative relations on the part of both the United States and the State of Vermont with Canada and urges President Trump to remove all tariffs that he has imposed against Canadian imports and to refrain from subsequently imposing any new tariffs against Canadian imports, and be it further~~

~~**Resolved:** That the Secretary of State be directed to send a copy of this resolution to President Donald J. Trump, Governor Philip B. Scott, Canadian Prime Minister Mark Carney, Quebec Premier François Legault, and the Vermont Congressional Delegation.~~
